SOLUTION PRESENTATION

Sentinel AI Solution Deck (.pptx)

8 complete slides with Executive Summary, Multi-Vendor Ingestion, Indian ANPR Engine, Sub-Second Hotlist Matching, GIS Tracking, and ROI.

[Download PPTX](#)

ARCHITECTURE DIAGRAM

High-Level Architecture (Vector SVG)

High-resolution dark-themed system topology diagram showing all 5 architectural tiers from camera ingestion to operator UI.

[View SVG](#)[Download](#)

WORKFLOW & INTEGRATION

Workflow & Latency Diagram (Vector SVG)

End-to-end data pipeline, sub-second latency breakdown (<420ms), and police system integration interfaces.

 [View SVG](#) [Download](#)

HLD DOCUMENT

High-Level Design Specification (.md)

Complete technical documentation, hardware sizing guidelines, security compliance, and architecture decomposition.

 [Open Markdown](#)

INTEGRATION SPEC

Workflow & API Integration Spec (.md)

JSON payloads for WebSocket alerts, PostGIS trajectory schemas, and CCTNS synchronization workflows.

 [Open Markdown](#)

VIDEO GUIDE

Video Demonstration Script (.md)

Step-by-step 3 to 5 minute narration script and test scenario dataset to record your solution demo.
